

the Something Borrowed Blueprint

A Something Borrowed Blueprint made for

Girls Inc

August 16, 2025

The Venue at 1010

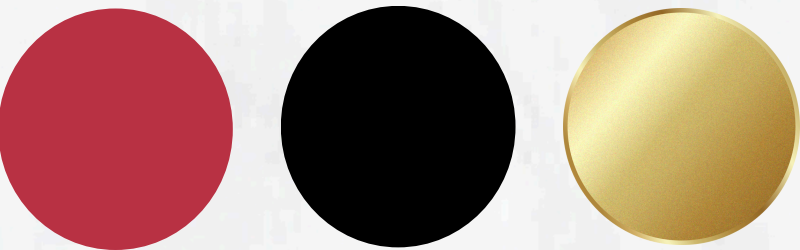

OVERVIEW

This high-energy evening will blend community spirit with style in support of Girls Inc. A striking palette of black, white, gold, and red will set the tone, brought to life with shimmering textures, statement centerpieces, and playful nods to classic casino glamour. The atmosphere is bold yet inviting as guests gather for an unforgettable night of games, giving, and celebration.

Several elevated moments will shape the experience, from interactive casino tables and a lively silent auction to luxe photo ops and elegant focal points throughout the venue. Every detail is designed to entertain and engage while honoring the event’s mission: inspiring all girls to be strong, smart, and bold.

Color Palette

TABLES & CENTERPIECES

Round tables will alternate between crisp white and bold black linens, creating a striking, casino-inspired backdrop for the evening. Centerpieces will vary across tables, from gleaming brass candelabras with red tapers to gold votives, crystal accents, and luxe ostrich feathers. Subtle nods to the theme (dice, playing cards, etc.) will mingle with the metallic gold details, adding depth and dimension while tying the décor to the event's high-energy, high-glam vibe.

We're teaming up with our Vendor Friend, Ivy Trellis Floral, to bring in fresh red rose-focused arrangements that will add even more richness to the space. These centerpieces will vary in size and design, creating a stunning mix of bold focal points and delicate accents to complement the evening's look.

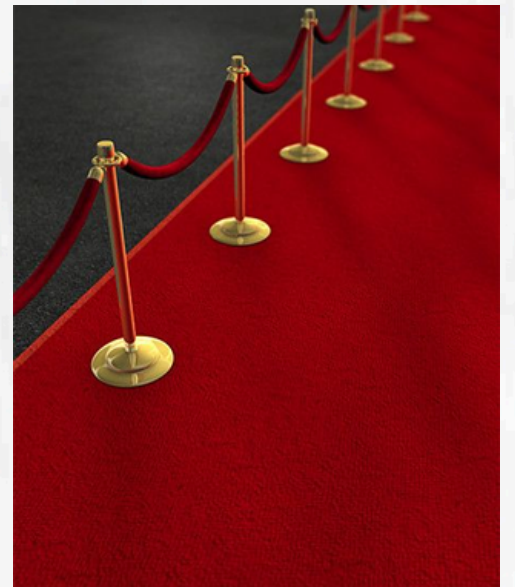

FOCAL POINTS

Focal points will bring bold color, texture, and a touch of Vegas flair to the event. Guests will be welcomed with a rope-and-stanchion entry and stop for a photo featuring a champagne sequin & red velvet pinned drape and a custom wallpapered slender wall featuring oversized playing card symbols. Crisp white pedestals will anchor the scene, creating a dramatic first impression that sets the tone for the night.

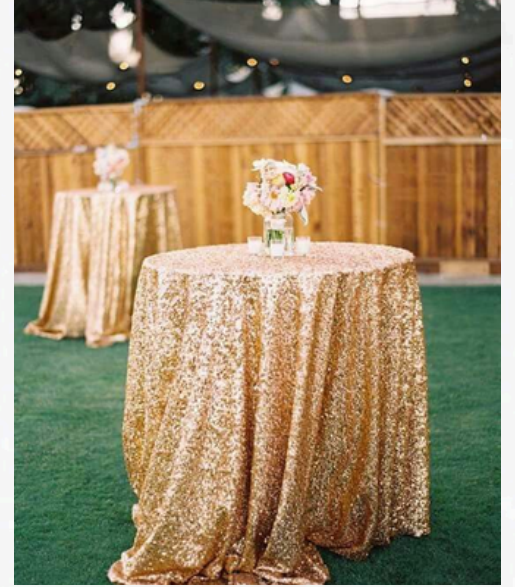

Pearl, our sleek digital photo booth, will pair with Casey, SB's newest statement flower wall blooming with rich red roses, offering a luxe, interactive moment for guests to enjoy. Throughout the room, gold mini shimmer walls will sparkle beneath clusters of elegant balloons, their reflective panels catching the light and adding a lively flicker of movement to the high-energy casino-night atmosphere.

BUT WAIT, THERE'S MORE!

Here are some things you didn't ask for, but our *expertise* says you might like...

Looking for ways to take the celebration to the next level? Here are a few options we'd love to add:

- Oversized playing cards leaned throughout the space for extra casino flair
- Custom double sign painted gold with "All In for the Girls" or sponsor thank-yous
- Custom hanging photo op sign to add extra branding on the drapery backdrop
- Gold sequin cocktail tablecloths for six cocktail tables

Please note: Images and designs included in this Blueprint are for inspiration purposes only. Final selections may vary based on availability, venue logistics, and client preferences. Our team will work closely with you to create a cohesive look that reflects the vision outlined here.
