The WeatherBerry at the Western Kentucky Botanical Garden

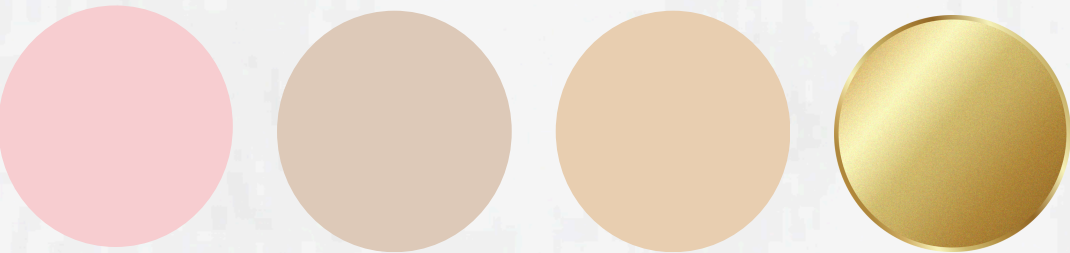

OVERVIEW

This bridal shower is all about effortless luxury and joyful celebration: a perfectly polished afternoon designed to honor the bride in style. Set against the vibrant backdrop of the WeatherBerry Home, the event will soften the space with layers of champagne, beige, and blush, accented by gold touches and a subtle sparkle throughout.

Velvet textures, candlelight, and custom details will create a warm, photo-worthy atmosphere, while styled moments like the audio guestbook and gift-opening lounge ensure the bride feels both celebrated and spoiled. It's a bougie bash full of charm, intention, and the kind of luxe that leaves a lasting glow.

Color Palette

ENTRYWAY

Guests will be welcomed with a soft and sophisticated first impression: a blush acrylic sign with custom gold lettering, perched on a gold easel and accented with a sweeping neutral garland. Just inside, a curated pedestal display will echo the event's palette with layered textures, luxe details, and Regina, our elegant telephone audio guestbook, ready to collect sweet messages in true bougie fashion.

TABLES & CENTERPIECES

Champagne linens will dress both cocktail and dining tables, setting a soft, elegant base for the bash. Centerpieces will vary in style, mixing brass candlesticks with blush taper candles, floating candles, and delicate floral touches. The overall effect is romantic and refined—layered, glowing, and perfectly on theme.

FOCAL POINTS

The gift-opening photo op will serve as a stunning focal point, featuring Rose, our blush velvet chair, framed by champagne draping and soft neutral balloons, including a playful pearl-inspired strand for a nod to bridal glam. A glowing “Miss to Mrs” neon sign adds the final touch, blending elegance and sparkle to create a picture-perfect moment for both the bride and her guests.

BUT WAIT, THERE'S MORE!

Here's something you didn't ask for, but our *expertise* says you might like...

To elevate the back porch mocktail station, we recommend adding our sleek white bar with custom gold vinyl.

Suggested vinyl wording includes:

- Champagne Vibes, Zero Proof
- Zero Proof, All The Glam
- All Glam, No Hangover

It's a simple upgrade that ties the outdoor setup into the event's overall look with polish and personality.

This item isn't included in your current quote, but we're happy to add it if you want to know more!
